Ground-based Mosquito Treatment in Areas of western Placer County

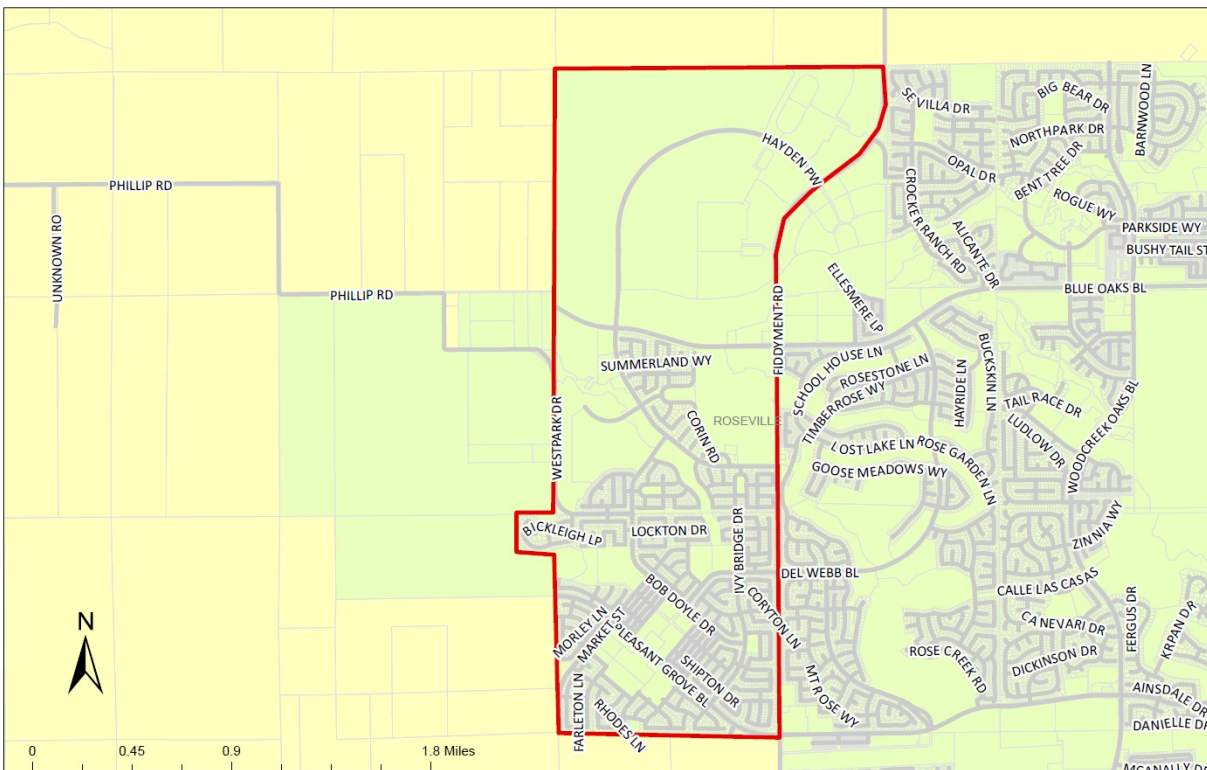

9/9/2011

3:30 – 5:30 a.m.

Areas of western Placer County are scheduled for treatment for significant mosquito and West Nile virus activity. Treatment will be applied in an Ultra Low Volume (ULV) spray by truck.

Treatment area:

- *Fiddymont Farms, Roseville area - area west of Fiddymont Road and south of the northern curve of Hayden Parkway.*

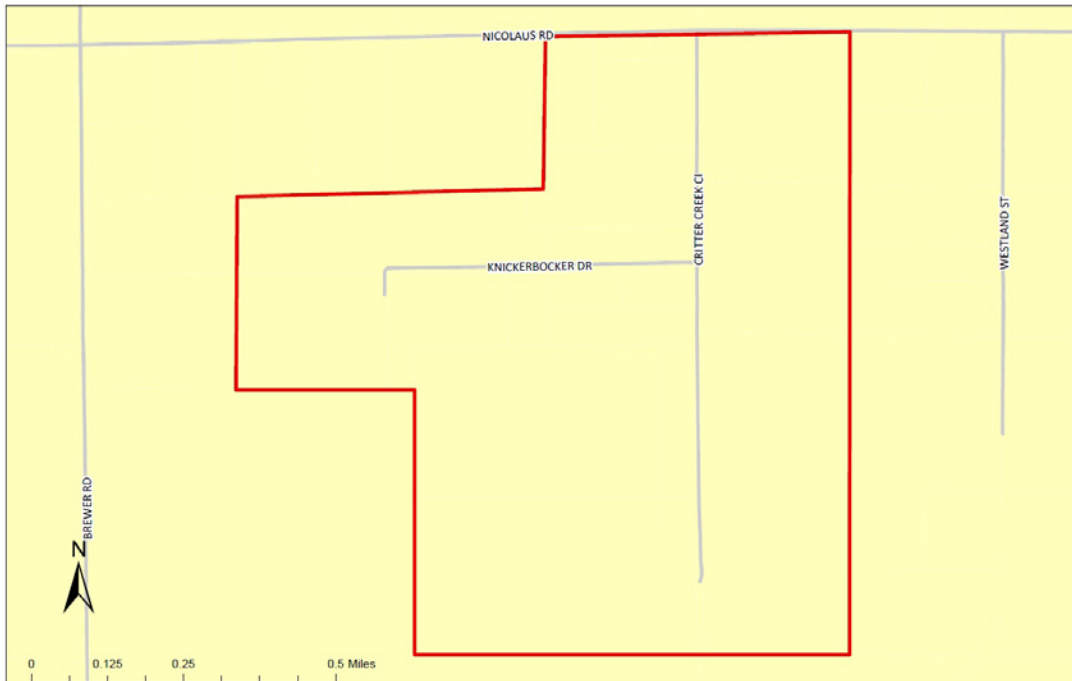

BOARD OF TRUSTEES

Galen Clothier Ph.D. Placer County • **John Cunningham** City of Roseville • **Steve Harvey** City of Colfax • **Russ Kelley** Town of Loomis
Harlin Smith City of Rocklin • **Bob Snyder** City of Auburn • **Linda Stackpoole** City of Lincoln

- *Amoruso Way and surrounding area* - area north of Sunset Blvd to Catlett Road, between Brewer Road and Fiddymment Road.

- *Critter Creek area, Lincoln* - Critter Creek and Knickerbocker Rd., southeast of Nicolaus Rd. and Brewer Rd.

- *North Lincoln are, Lincoln* - Residential areas north of Nicolaus Rd and south of Nicolaus Road to Third St, including areas east of Waverly Drive to P street.

Since several factors affect spraying activities, such as weather and wind conditions, the District encourages Placer residents to check the District website at www.placermosquito.org for any changes to the spraying schedule and accompanying maps of the planned treatment areas.
