Ground-based Mosquito Treatment in Areas of western Placer County

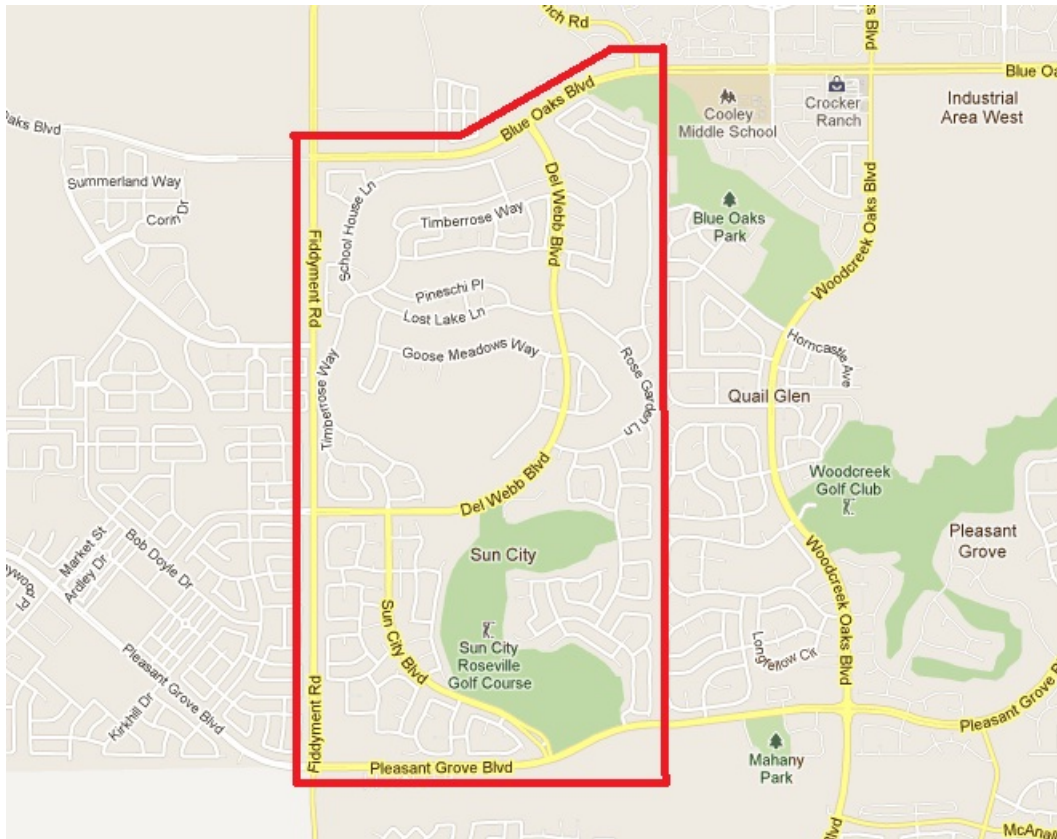

9/14/2011

3:30 – 6:30 a.m.

Areas of western Placer County are scheduled for treatment for significant mosquito and West Nile virus activity. Treatment will be applied in an Ultra Low Volume (ULV) spray by truck.

Treatment area:

- *Roseville area* – residential area between Fiddymment Road and east of Woodcreek Oaks Blvd. and south of Blue Oaks Blvd to Pleasant Grove Blvd.

Since several factors affect spraying activities, such as weather and wind conditions, the District encourages Placer residents to check the District website at www.placermosquito.org for any changes to the spraying schedule and accompanying maps of the planned treatment areas.
