11. Staff Reports

A. Public Information and Outreach Report – Along with the report included in the board packet, Mr. Buettner reported the following:
   - In the past few weeks, we have had about four residents contact the District directly, with varying concerns about our aerial adulticide treatments. One has asked about our pesticide’s persistence in swimming pool water. It was addressed, and the resident was satisfied with our response.
   - Three residents voiced their opposition to our treatments. One had contacted the District by phone, and two had posted on social media (Facebook and NextDoor). Their concerns were heard and they were either provided with additional information, or encouraged to visit the District website to get more information.
   - In the past week, we have received thanks from two residents as well, for our proactive efforts to manage mosquito populations. One contact was from West Park in Roseville and the other was from Lincoln.
